

FUN

Ale, crafts and motors at the Woodcote rally

THE 46th Woodcote Rally is taking place over the weekend of July 11-12 and features an aerial theme with an air display and helicopter rides to view the beautiful countryside of South Oxfordshire.

It's a great weekend of family fun and entertainment and we look forward to seeing as many as possible of you there.

The Woodcote Rally is organised by the Woodcote Charitable Association (a company limited by guarantee). Any profits made by running the rally are donated to local charities and worthy good causes. This takes place at the presentation evening held in early December and the culmination of our work.

We will be featuring all the other normal things including:

- Woodcote Festival of Ale with the CAMRA beer tent and wine bar
- Steam engines (big and small)
- Veteran, vintage and classic cars and motorcycles

- Tractors, commercial and military vehicles
- Stationary engines
- The Craft and Country Show
- Farm animals
- Trade stands
- Fun fair
- The Cholsey Silver Band

- The Fiesta Steel Band
- Children's entertainment and play areas
- Hot air balloons on the Saturday evening
- Back by popular demand The Lightyears will be performing live on stage on Saturday night.
